VISION

To identify and nourish the talents of diverse nature, provide a conducive environment for showcasing potentials and to enhance the creative ability of the young minds for professional and personal growth.

MISSION

To build team work, nurture artistic caliber, foster organizing skills and develop leadership qualities.

To facilitate an ideal climate for exhibiting excellence in academics.

SANGAMAM -AN ECHOING SYMPHONY

Sangamam, the Unity of arts is an enabler of all the cultural initiatives.

The Team is a manifestation of numerous aspiring clubs to bring out the real potential of the students and to enrich their skills. KPR Institute of Engineering and Technology inaugurated the cultural clubhouse, Sangamam for conducting various cultural and educative events for school and college students.

Stupendous Opportunities
Aspiring Events
Numerous Clubs
Growing Talents
Amazing Coordinators
Mastering Skills
Astonishing Surprises
Momentous Memories

Sangamam is a cultural club house started at KPR Institute of Engineering and Technology to showcase the talents of the students.

Our vision is to identify and nourish the talents of diverse nature to enhance the ability of young minds.

Our College life without cultural events is like a chocolate without taste. We the Team Sangamam which includes 42 Office Bearers, along with student coordinators of each club, work together to bring out the talents of the young minds and explore the environment where they can upgrade their skills and showcase the talents to the world.

We also provide platform to develop their leadership qualities and to groom themselves and extend their relationship globally.

Our aim is to work as a team constantly and to help them grow their talents with supportive management and caring principal, dedicated faculty, cooperative parents to achieve more and to leave the memories with us for the future KPRIETians.

Dr. V. Rajeshkumar
Head/Sangamam

"I am in love with Sangamam. Nothing can break the relationship between Sangamam and me."

Once upon a time, I never knew how beautiful the life would be like now. When my friend asked me to help him in some club activities, there raised a question, how would it be if I join Sangamam. That moment I joined ECO Club, engaged myself in all aspects. I started organizing events, spending time for promotions, etc.

Then I was selected as the event coordinator in Sangamam, and in the year 2021 - 2022, I was selected as the President of Sangamam. Each and every moment my only thought will be "In what ways I can make the students explore their talents?" Each and everyone should know "What is Sangamam?" and "For what Sangamam is?"

I started building a strong and understanding team. Each member became my family, a family I will always remember and cherish. Each of us started loving and caring Sangamam. We as a team always give voice for the Students' talents. Come, join our team and explore your talents. We as a team can achieve more.

Mr.V.Yoga Balajee
President/Sangamam

I started my college life by joining the Radio club, Rotaract club and Dance club. The clubs paved me the way to develop myself and helped me to know the real inner me. It created wide range of connections with many people around. I joined Sangamam just as a club member, then became Joint Treasurer and now proud President of Team Sangamam.

This 4 years of journey with Sangamam is really a closest emotion. I feel it as a precious gift, for being myself and for achieving what I do. Above all, I am being a role model and inspiration to many students. The members of the Team Sangamam are close to my heart and are second family to me.

When I host the events, I feel deep inside that I am doing for my Team Sangamam. This closest relationship will be in my heart forever.

Our Team Sangamam is here for those who want to discover themselves and improve their talents. We are always ready to encourage the skills of young minds and talents.

Club House Inauguration

Our Sangamam club house was inaugurated on 22 October, 2021. With the great support from our management, Principal and Heads of Sangamam and Ignitrron along with members of Team Sangamam. Everything has a reason or a backbone to begin it's process or work that has to be published or maintained with a huge gratitude. The colorful and delightful room of Sangamam club house was inaugurated by our beloved principal Dr.M.Akila along with the Head Sangamam. The day was begun, but not as a beginning and not as an end, it is always on it's own way to give more delight and insightful events on the upcoming emerging days. Sangamam is ready to give it's unique best.

Chimps Talent Hunt Jr

When the schools were closed for summer vacation, our team Sangamam and Ignitrron came up with the idea of encouraging the young minds in and around the world making them to participate in various events like reels, photography, drawing, cooking, story writing, best inspiration, mind games, RJ hunt, Wealth out of waste, spell bee, who am I?, connections, webinar on “Drone Fundamentals and Its applications and on “Cyber Security Matic”. This grand online event was held from May 17, 2021 to May 23, 2021. The winners of this event was announced by the actress Ms. Abhirami Venkatachalam on May 23, 2021, evening on instagram live show. Nearly 2540 participants participated in the event.

Start with Empty Hands

A thing comes along its way when a whole work has been done within the given time and consistency that is followed up by a person leaving many things for balancing simple works at a time period. “Start with Empty Hands” is a webinar by an educationalist, Mr. Saravanan Suresh. The main motto of the webinar was to guide students how to make a first move on a new task. The webinar was conducted on July 10, 2021. It was telecasted as a live webinar in Sangamam YouTube channel. It was a motivational webinar, where the participants gained thought provoking words. More than 300 participants took part in the webinar and gave positive feedback.

Onam

Team Sangamam and Ignitrron, both technical and cultural club houses of our KPR Institute of Engineering and Technology organized the Onam celebration 2021 on 19 August, 2021. Many cultural events like Puttu fight, Treasure hunt, Tug of war, etc. were conducted. Members of Drama enacted an onam drama. Many cultural performances like dance, music also took place. The staffs and the students enjoyed the onam celebration by taking part in various games and cultural activities. The winners of the games were awarded with gifts. Lucky winner was also awarded from the lucky draw box.

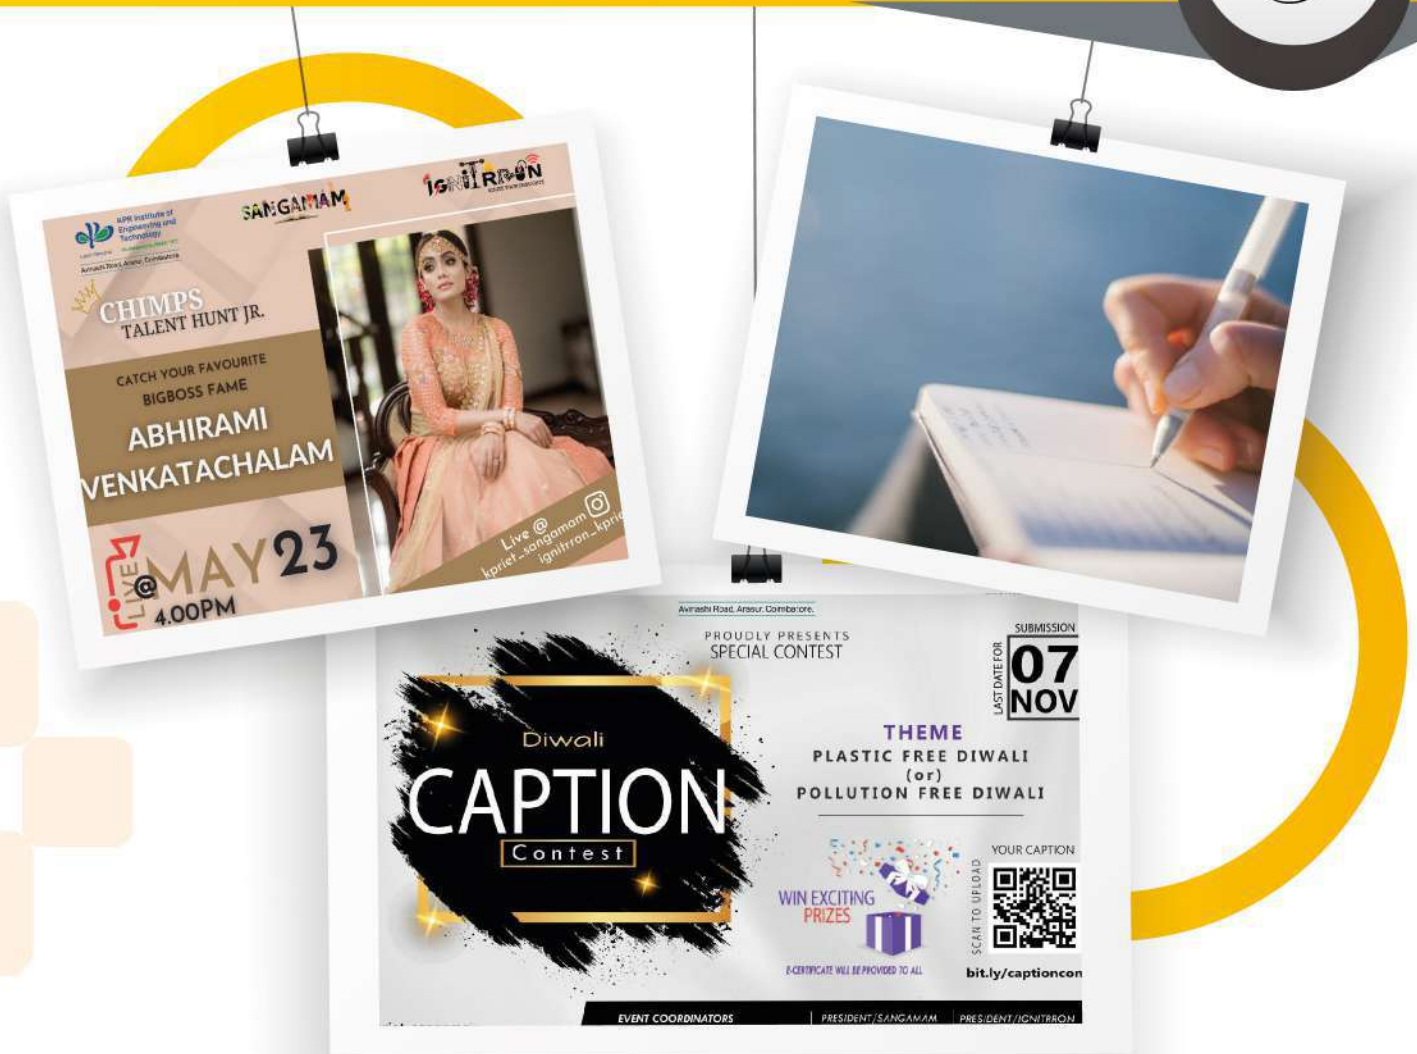

Thanks Giving Week

Everyone at KPRIET deserves gratitude for their undeniable commitment to the institution and its students. From the teaching faculty, workers to watchmen, everyone plays their role in caring for us and guiding us through the right path. So team SANGAMAM decided to give all the hard-workers the much needed appreciation and time of the day to express our gratitude and gratefulness. Thanksgiving week was celebrated during the second week of November 2021. Greeting the workers with chocolates and cakes and thanking them wholeheartedly for their support and kindness with a smile, we marked the day as a memorable one.

Ayudha Poojai Celebration

Team Sangamam and Ignitrron celebrated Ayutha Pooja on 13.10.2021, in our Sangamam and Ignitrron club houses. Both the club houses were decorated with flowers and were turned into traditional surroundings. On that day we appreciated and expressed our gratitude for all the instruments that gave significance to our lives. On the day of Ayudha Pooja, the members of Team Sangamam and Ignitrron gathered at the Club houses at 4pm and felt the traditional blessings and tasted the Sacred food. We had a spiritual feeling all around. We turned everything spiritual and were feeling dedicated towards the God for such a wonderful life at KPRIET.

Diwali Caption Contest

Team Sangamam and Ignitrron jointly organized a caption contest on the occasion of Diwali. The contest was held for three days (05.11.2021 to 07.11.2021). The participants were asked to write caption on two themes: Plastic free diwali and Pollution free diwali. An overall of 200 participants participated from various districts. The winners were selected in 2 categories, English and Tamil respectively. The winners were awarded with e certificates. The participants were from different states like Uttar Pradesh. The participants enjoyed diwali writing captions on Plastic free and pollution free diwali.

Karthigai Deepam Celebration

Karthikai Deepam was celebrated for 3 days. The third day was celebrated in a grand manner. Karthigai Deepam Celebration was started with Lighting the Lamp by our Principal Madam Dr.M.Akila, followed by the welcome address by our Sangamam President R.G.Varsha. The significance of Karthigai Deepam was delivered in detail by our second-year student Amrit Candida. Clay lamps were arranged to depict KPRIET, SANGAMAM & IGNITRRON letters. Finally, a photoshoot session was conducted which was followed by the distribution of snacks. Our whole KPRIET was decorated with lamps.

Namma Ooru Pongal

Team Sangamam and Ignitrron organized a group of events on account of Pongal Celebration. It was organized from 12/01/2022 to 16/01/2022. Four events were conducted on account of celebrating the Pongal. The events are Pongum Ninaivugal (memories of pongal day celebrations), Kai vannam (drawing), Varnajalam (rangoli), Kutties pongal (kids explaining the methods of preparing the sweet pongal). More than 100 participants took part in the event. The participants were awarded e-certificates. All the responses from the participants were awesome and mind freshening.

Fiestaa 22'

Fiestaa 22' is a national level techno-cultural fest organized by Team Sangamam and Ignitrron for two days (08/04/2022 & 09/04/2022). 10+ Technical events, 20+ Non-technical events and 20+ cultural events were conducted. Celebrities RJ Sha, Micset Sriram, Arun Vijay, Lakshmi Pradeep, Balaji Sri, Athulya Ravi, and singer Velmurugan were invited to add more beauty to the Fiestaa 22'. The event was inaugurated by our beloved principal on 08/04/2022. 1000+ external participants, all our KPRIET and KPRCAS students took part in the event. It was a 48 hours merry fest. All the participants enjoyed all the events with a vibrant DJ night.

He secured third place in international photography contest conducted by fpc in open category. Got featured in Tamil Nadu tourism official for photography for 3 times. Also, got first place in photography conducted by Thiran Thedal and many more

BEST CLUB (2021-2022) - ECO CLUB

ECO Club is a team of 300+ student members. They combine together and conduct various events in and around the campus. They believe in making the world so green. Also, they create awareness on nutritious life, plastic free society, road safety, rain water harvesting, water awareness, and many more awareness. They promote their events enormously and more than 1000 people from various states take part in the events. They spread green all around. They sponsor saplings to the students, faculties and general public. The club is in association with nearby schools and villages and plant saplings in the schools and villages around our institution. They work with other clubs and organize various events for the students.

Finally, they were appreciated and awarded “The Best Club” for their successful journey on the Annual Day 2022 at our Kalaiarangam on 07.04.2022.

“Like music and art, love of nature is a common language that can transcend political or social boundaries.”

GRAFFIO CLUB

Sketched drawings in the Civil department and EEE department faculty cabin. They are a major part of celebrations. They make crafts and they teach how to make those crafts.

FOOD CLUB

This club offers food to the poor. Teaches the students how to make culinary arts with food and many more food preparation without using fire. Conducts webinars explaining the benefits of different food items.

PHOTOGRAPHY CLUB

Team Shutterbugs covers each and every event happening at KPR Institute of Engineering and Technology. They released a Portfolio, which contains the models of our college.

DANCE CLUB

Effective contribution in teaching the various forms of dances to the interested & passionate students. Released a unique dance video

MUSIC CLUB

They relax the people with their pleasant Instrumental music, that are being posted as Reels in Instagram and other social medias. And they go with Live Musical Interaction.

ECO CLUB

Creating awareness on Plastic reduction, Nutrition, Road safety and many more. Every Saturday they release Saturday sinthanaigal series, spreading ECO energy all around. They planted Herbal saplings and maintaining a Herbal garden at KPR Institute of Engineering and Technology.

ROTARACT CLUB

They volunteered many Social related activities. Their thought of helping others always stays higher. Uvagai, Vetrikku mudhal padi, Aram seivom are some of their social related activities.

TAMIL MANDRAM

They combine with Kurunji Tamil Sangam and organize many events for the development of Tamil Language and Tamil people.

THULIR CLUB

They share their love and joy with common people. One of the places they visited is Universal peace foundation, where they shared their love, care and joy.

TOASTMASTERS CLUB

This club develops the best authors and poets. The best English speaking leaders are born from here. They speak various podcast and share it through social medias.

RADIO CLUB

Radio club plays the part of Branding and making promo audios for many events happening at KPR Institute of Engineering and Technology. They bring out the talents of young minds through Regular audios that are being posted on Instagram.

YOUTH PARLIMENT

They take up the responsibility to make people know the Highlights of Union Budget 2022 and went on live on youtube explaining the highlights.

நாணலின் ஞானத்தில்

இயற்கைகோர் இலக்கணம் உண்டோ ?
 இருப்பின் அதை செதுக்கியவர் எவரோ?
 நெடுநெடுவென வளர்ந்த தண்டு இருப்பின்
 சிறுபூவுக்குள் பரம்பரையை மறைத்தவர் எவரோ ?
 நூறாயிரம் இசையரங்குகள் இருப்பின்
 சிறுபறவைக்குள் இசைக்கச்சேரி நடத்துபவர் எவரோ ?
 உசைன் போல்டுக்கோர் பதக்கம் எனில்
 ஓயாமல் ஓடும் சிறுத்தையை மறந்தவர் எவரோ ?
 வானவில்லிற்கொர் அம்பு அளிக்க மறுத்தவர் எவரோ ?
 மரத்திற்கோர் இராணுவம் அமைக்க மறந்தவர் எவரோ ?
 இப்பத்துவரிகளுக்குள் அடங்கிவிடுமோ இயற்கையின் உவமை?
 இயற்கையின் மீது திராதகாதலின்
 தொடர்கதையாய் நாணல் குடும்பம் !!!

என் நன்றிக்குறிய நபர்

தேன் சுவைக்க வந்த தேனீயின்
அழகை கண்ட மலரானது,
தான் காத்து வைத்திருந்த அமிர்தத்தை
கொள்ளை கொண்ட கள்வன் வருகிறான்
என்றறியாமல் தன் இதழை விரித்தது,
மறதி எனும் சகுனி
இல்லையென்றால்
தேனீயின் முத்தத்தை
மலர் பெற்றிருக்குமோ?
துளிகளை சுமந்த என் விழிகளை மறந்து
இச்சகுனியாட்டத்தை
காணச்செய்த மறதிக்கு நன்றி!

Take me to the Eternal Darkness

When the bustling city was finally quiet
My mind got some peace;
To think straight
That's when realized everything
Is going to be just fine
Someday! Got used to lonely nights.
And endeared by darkness;
There's no shoulder to cry:
The wind whispered to
Broken soul And the stars murmured along:
Wish I never see the morning light.
The FEAR OF DEATH faded away:
My soul ached to leave;
Enough of shedding tears:
Oh Lord, Keep this forlorn soul With memories
locked on the body. Take me to the eternal
darkness Where there is no trace of mortals!

A photograph of a wall mural. The wall is covered in a vibrant, multi-colored geometric pattern of triangles in shades of red, orange, yellow, green, and blue. A white rectangular sign is mounted on the wall, featuring the word 'SANGAMAM' in large, bold, black letters. The letters are stylized with various icons: a person, a book, a heart, and a pair of scissors. Below the text, there is a small illustration of an open book.

SANGAMAM

ஓராயிரம் மாணவர்களுக்கிடையில் மலர்ந்த
ஒருவன்
கல்லூரி வாழ்வின் மகத்துவம் உணர்த்த ஒருவன்
அன்று நால்வர்க்கு மட்டுமே தெரிந்த ஒருவன்
பின்பு நாலாயிரம் பேருக்கு உணர்த்த விழா
நாயகனாக ஒருவன்
தன்னையும் தன்னை சான்றோனையும்
மகிழ்வித்த ஒருவன்
ஆருயிர் நெஞ்சங்களை அடைந்த ஒருவன்
சொந்தமோ பந்தமோ இல்லை இவன்
ஆராயிரம் ஆண்டு கடந்தாலும்
இவன் போல் யாவரும் இல்லை இவ்வுலகில்!
அந்த ஒருவன் - சங்கமம்
