ANNUAL REPORT

ACADEMIC YEAR 2024-25

NATIONAL CADET CORPS

2024 – 2025

Introduction

The National Cadet Corps is the Indian military cadet corps with its head Quarters at New Delhi. It is open to school and college students on voluntary basis. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

KPR Institute of Engineering and Technology raised 5 (TN) Girls BN NCC Unit - Senior Wing from October 2018, 6 (TN) Med Coy NCC and 2 (TN) Air Sqn NCC from 2021, 2 (TN) Naval Unit NCC from 2024 and has many active functioning in the campus from its inception. The units coordinate and conduct various Camps, social service-based activities, etc.

AIM OF NCC

The ‘Aims’ of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

Motto of NCC

Unity and Discipline (Ekta aur Anushasan)

CORE VALUES

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we endeavor to instill among all ranks of the NCC. These include the following:

- A sense of patriotic commitment to encourage cadets to contribute to national development.
- Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
- Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- Understanding the value of a just and impartial exercise of authority.
- Ability to participate in community development and other social programme.
- A healthy life style free of substance abuse and other unhealthy practices.
- Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- Inculcating habits of restraint and self-awareness.
- Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- Respect for knowledge, wisdom and the power of ideas.

Introduction:

The **National Cadet Corps (NCC)** is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organization, comprising the Army, the Navy and the Air Force. Cadets are given basic military training in small arms and drill. Officers and cadets have no liability for active military service once they complete their course.

After Independence, the present day NCC formally came into existence on 15 July 1948 through XXXI Act of Parliament. The Girls Division of NCC was raised in July 1949. On 01 April 1950, Air Wing was raised with one Air squadron each at Bombay and Kolkata. The Naval Wing of the NCC was raised in July 1952, thus representing all three services in the Corps.

Today the NCC has an enrolled strength of more than 13 Lakh cadets and consists of two divisions of all three services i.e. the Senior Division/ Senior Wing for boys/girls from colleges and the Junior Division/Junior Wing for boys/girls from schools.

KPR Institute of Engineering and Technology has been actively fostering a culture of discipline, leadership and community service through its National Cadet Corps (NCC) units. The Institute initiated its first NCC unit, 5(TN) GIRLS BN NCC in October 2018, aimed at empowering female students with opportunities for personal growth and national service.

Extending its commitment to the NCC program, the institute subsequently established the 6(TN) MED COY NCC and the 2(TN) AIR SQN NCC in 2021. These units play a vital role in channeling the energy and talents of students towards constructive activities that benefit both the campus community and society at large.

Aims of NCC:

The aims of NCC are mainly three fold:-

- a) To develop following qualities in the cadets
 - i. Character
 - ii. Comradeship
 - iii. Discipline
 - iv. Secular Outlook
 - v. Spirit of Adventure
 - vi. Ideals of selfless service
- b) To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life who will serve the nation regardless of which career they choose.
- c) To provide an environment conducive to motivating young Indians to choose the Armed Forces as their career.

Motto of NCC:

The Motto of NCC is “**Unity and Discipline**” i.e. (**Ekta aur Anushasan**)

Core Values of NCC:

The National Cadet Corps (NCC) instils several core values among its cadets, fostering qualities that are essential for personal development and contributing positively to the society. Here are the core values of NCC:

- A sense of patriotic commitment to encourage cadets to contribute to national development.
- Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
- Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- Understanding the value of a just and impartial exercise of authority.
- Ability to participate in community development and other social programme.
- A healthy life style free of substance abuse and other unhealthy practices.
- Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- Inculcating habits of restraint and self-awareness.
- Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- Respect for knowledge, wisdom and the power of ideas.

NATIONAL CADET CORPS

2024 – 2025

Introduction

The National Cadet Corps is the Indian military cadet corps with its head Quarters at New Delhi. It is open to school and college students on voluntary basis. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

KPR Institute of Engineering and Technology raised 5 (TN) Girls BN NCC Unit - Senior Wing from October 2018, 6 (TN) Med Coy NCC and 2 (TN) Air Sqn NCC from 2021 and has many active functioning in the campus from its inception. The units coordinate and conduct various Camps, social service-based activities, etc.

AIM OF NCC

The ‘Aims’ of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

*Motto of NCC***Unity and Discipline (Ekta aur Anushasan)****CORE VALUES**

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we endeavor to instill among all ranks of the NCC. These include the following:

- A sense of patriotic commitment to encourage cadets to contribute to national development.
- Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
- Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- Understanding the value of a just and impartial exercise of authority.
- Ability to participate in community development and other social programme.
- A healthy life style free of substance abuse and other unhealthy practices.
- Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- Inculcating habits of restraint and self-awareness.
- Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- Respect for knowledge, wisdom and the power of ideas.

NATIONAL CADET CORPS

2 TN NAVAL UNIT NCC
ANNUAL REPORT
ACADEMIC YEAR 2024-25

NATIONAL CADET CORPS 2024 – 2025

Introduction

The National Cadet Corps (NCC) is the Indian military cadet corps headquartered in New Delhi. It is open to school and college students on a voluntary basis. The NCC is a voluntary organization that recruits cadets from high schools, colleges, and universities across India. Cadets receive basic military training in small arms and drills. While officers and cadets have no liability for active military service upon completion of their training, they are given preference over other candidates during selection processes based on their achievements in the corps.

KPR Institute of Engineering and Technology established the 5 (TN) Girls Battalion NCC Unit – Senior Wing in October 2018, the 6 (TN) Medical Company NCC and the 2 (TN) Air Squadron NCC in 2021, and the 2 (TN) Naval Unit NCC in November 2023. These units have been actively functioning on campus since their inception and regularly coordinate and conduct various camps, social service initiatives, and community development activities.

AIM OF NCC

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

Motto of NCC**Unity and Discipline (Ekta aur Anushasan)****CORE VALUES**

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we endeavor to instill among all ranks of the NCC. These include the following:

- A sense of patriotic commitment to encourage cadets to contribute to national development.
- Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
- Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- Understanding the value of a just and impartial exercise of authority.
- Ability to participate in community development and other social programme.
- A healthy life style free of substance abuse and other unhealthy practices.
- Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- Inculcating habits of restraint and self-awareness.
- Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- Respect for knowledge, wisdom and the power of ideas.

In commemoration of NCC Day celebration week, KPR Institute of Engineering and Technology, in collaboration with the 2nd Tamil Nadu Naval Unit, participated in the Puneet Sagar Abhiyan Cleanliness Drive and Awareness Rally at Kodiveri Dam, located in Gobichettipalayam, Erode. The event, held on 18th November 2024, was a significant initiative under the theme Swachhta Hi Seva (Cleanliness is Service).

The rally commenced with great enthusiasm, with a large group of naval cadets, students, and faculty members actively engaging in the cleanliness drive. The participants focused on cleaning the surroundings of the dam and its nearby areas, helping in the removal of plastic waste and other environmental pollutants.

The awareness rally aimed at educating the local community and students about the importance of maintaining cleanliness, reducing plastic waste, and promoting sustainable practices. The initiative highlighted the role of the youth in building a cleaner and greener environment.

This event underscored the commitment of KPR Institute of Engineering and Technology and the 2 TN Naval Unit to environmental conservation and social responsibility. The cleanliness drive was a resounding success, inspiring both participants and locals to take proactive steps towards a cleaner and more sustainable future.
