About KPRIET

KPR Institute of Engineering and Technology (KPRIET), founded by Dr. K. P. Ramasamy, stands out as a leading institute of academic excellence by imparting technical, intellectual, and professional skills to students. The institute, with its diverse and energetic community of students offers a distinguishing blend of some of the premium graduate, undergraduate and research programs, talented faculty, world class amenities and a residential campus set on a sprawling 150 acres of lush green campus.

While students at KPRIET immerse themselves in academics, the institute has a lot in store for them outside the classroom. Student life includes participation in sports, co-curricular activities and cultural. In short, at KPRIET, students will find an academic and social environment where everyone- from faculty members to peer's support shape their future.

KPRIET is a home to artistically designed buildings with state of the-art computer and internet facilities, modern workshops, seminar halls, auditoriums and well stocked libraries, sports and games fields in addition to an indoor badminton court and gymnasium.

KPRIET has a faculty strength of 227 with a faculty student ratio of 1:15. Out of the total, 97 faculty members PhDs. and 102 are in the process of completing their PhDs. As an exemplary institution of learning, KPRIET follows an admission policy that strongly favours merit, even as it enables access to education for students from all strata of society through appropriate scholarships

Vision of the Institute

To become a premier institute of academic excellence by imparting technical, intellectual and professional skills to students for meeting the diverse needs of the industry, society, the nation and the world at large.

Mission of the Institute

- Commitment to offer value-based education and enhancement of practical skills
- Continuous assessment of teaching and learning process through scholarly activities
- Enriching research and innovative activities in collaboration with industry and institute of repute
- Ensuring the academic process to uphold culture, ethics and social responsibility

About the Department

The Department of Civil Engineering of KPR Institute of Engineering and Technology, Coimbatore was established in the year 2009 with an annual intake of 60 students. In the year 2012, the annual intake was increased to 120. The Department has been elevated to its next pedestal by offering PG in Structural Engineering in the year 2014 with an annual intake of 18. The Department has been recognized as a Research Centre for pursuing Ph. D. in Civil Engineering by Anna University. It has been accredited by NBA, New Delhi.

The Department also provides an opportunity for students in improving practical knowledge in the field of Civil Engineering and Software skills like AutoCAD, STAAD Pro, ETabs, SketchUp, Arc GIS, 3ds MAX and Revit Architecture through Building Information Modelling – Centre of Excellence, KPR Infra (start-up by students) and Learn-it (Masonry Yard), in addition to Communication and Presentation skills. The students must undergo Industrial Training and Industrial Visit to facilitate them to take up industrial live projects to understand the field constraints. KPR Civil Academy has been established to facilitate the students to take up the training for competitive exams.

The Department of Civil Engineering as well as faculty members has lifetime membership in various Professional Societies like ICI, IGS, IEI, ISTE, IPA and BAI. The Department of Civil Engineering has various Students Chapter like ACI, IGS, IEI, ICI, ISTE to gain knowledge through various programmes conducted by these bodies across the Nation.

Vision of the Department

To develop competent Civil Engineers to create infrastructure with technology in demand that leads to nation building.

Mission of the Department

- Provide holistic education to students to enhance technical knowledge and skills
- Indoctrinate augmented contents to meet the requirements of stakeholders
- Promote research and consultancy activities in collaboration with industries
- Foster ethical and moral values with leadership qualities

Programme Organised

Civistra 2022 Symposium for Polytechnic students

Date: 03.03.2023

CIVISTRA 2023, National Level symposium for polytechnic students was organized by the Department of Civil Engineering in association with Maya Academy of Advanced Cinematics and Department of Physical Education, KPR Institute of Engineering and Technology, Coimbatore on March 3rd, 2023 with the aim of providing a platform for learning and networking in the field of civil engineering. The symposium was attended by 122 participants from various polytechnics.

Er. S. Nithyanandam, Managing Partner of Om Muruga RMC plant, was the guest speaker at the symposium. He shared his valuable insights on the latest trends and practices in the field of concrete production, and the importance of quality control in the RMC plant industry.

Expert Talk

Date: 11.03.2023

The ASCE IS SR President Narsimha Chary Poloju visited the KPR Institute of Engineering and Technology to interact with the ASCE student chapter members and encourage them to become active members of the ASCE community. The President discussed the importance of networking, staying up to date on industry trends, and getting involved in ASCE activities. The ASCE student chapter members were excited to meet the President and interact with him. They shared their experiences of organizing events and participating in ASCE competitions and discussed their plans for the upcoming academic year. The President also had an excellent interaction with the faculty members and the Head of the Department. They discussed the importance of ASCE in promoting the civil engineering profession and the role of ASCE in supporting the development of the civil engineering community.

BIM Conclave

Date: 16.03.2023 & 17.03.2023

Department of Civil Engineering organized a Two day Building Information Modelling (BIM) conclave which was held on 16th and 17th March 2023 at Thanam hall, KPR Institute of Engineering and Technology, Coimbatore. This conclave is aimed at bringing together the leading experts and professionals from leading industry to discuss the latest trends and advancements in BIM. The conclave featured keynote speakers Dr. V. Senthilkumar, Expert in World Skills Competition for Digital Construction and Associate Professor, IIT Palakkad and Er. B. S. Mukund, Head - Building Information Modelling, L&T Construction, Chennai. Resource persons provided hands on training to all the participants which included BIM implementation, Project Management, and the role of technology in construction.

Expert Talk on “Career opportunities in “IT & Marketing Sector”

Date: 13.03.2023

The program was planned for the pre-final students of Civil Engineering department. The students are in the stage of selecting their domain for a continuous career growth. The field expertise in providing suggestion on how to prepare a candidature for the campus placements. By considering the industrial requirements, the session has been planned for various type of job roles. Mr. P. Kalaivanan had initiated the meeting by welcoming the gathering and faculty members. The topic delivered by Mr. S. Yuvaraj was on " Career Opportunities in Civil Engineering". He had spotted out the minimalistic requirements to be a successful engineer.

Parents – Teachers Meeting

Date: 15.03.2023

On March 15, 2023, the Department of Civil Engineering successfully organized a parent-teacher meeting in the Final Year classroom. The event aimed to promote the department's accomplishments, such as research publications, collaborations, and infrastructural improvements. The meeting was attended by parents, instructors, and students, who gathered to discuss the department's and kids progress. The student's academic and extracurricular achievements were also highlighted, with a particular emphasis on the CIAT 1 outcomes analysis.

Expert Talk on “Higher Studies Opportunities in India”

Date: 17.03.2023

Mr. Elavarasan, Assistant Professor, Department of Civil Engineering welcomed the gathering and gave the introduction about the resource person Mr. Sankar, Senior faculty, ACE Engineering Academy. Mr. Shankar started the seminar by emphasizing the importance of higher education and how it can benefit students in their careers. He highlighted the various career opportunities available in India for engineering graduates, including jobs in Public Sector Undertakings (PSUs), the Indian Engineering Services (IES), and higher studies in prestigious institutes like the Indian Institutes of Technology (IITs). He then focused on the Graduate Aptitude Test in Engineering (GATE), which is one of the most important exams for students who wish to pursue higher studies in engineering or secure a job in PSUs.

World Water Day

Date: 23.03.2023

Department of Chemical Engineering and Department of Civil Engineering jointly organised World Water Day celebration on 23.3.23 at KPR Institute of Engineering and Technology, Arasur, Coimbatore. The real aim and outcome of the event is to create an awareness in the minds of younger generation on water usage, importance etc. and to inform the latest developments in the water conservation and management and wastewater management areas.

Dr. S. Balasubramanian, HoD/Chemical, Dr. G. Anusha, HoD/Civil and Dr. E. Nakkeeran, Associate Professor, Chemical Engineering are the convenors of the event. For the Inaugural function, Mr. R. S. Krishnasamy, Convenor, Water Watch, Siruthuli was the chief guest and had delivered a guest lecture about the water bodies in coimbatore, how it looks in the past, how it is at present and what are the plans to preserve it for the future generations. Everything he discussed in a very neat and efficient manner for the benefit of students. The students are also overwhelmed on his presentation. Dr. M. AKila , Principal, KPR Institute of Engineering and Technology, Arasur, Coimbatore gave away the presidential address in which he highlighted about the importance of water and how to use it in scarcity times. Various events were conducted during the event such as essay writing, art competition, quiz competition, poster presentation, plant design competition, field trip, short film competition, film screening on the importance of water. Valedictory function was conducted in the evening in which Dr. R. Ilangovan, Former Chief Engineer, PWD, Water resource department, Tamilnadu was the chief guest . He also given a guest lecture on the water management and also given away the prizes for the various competition winners. The event successfully ended with a happy note.

ASCE Student Symposium 2023

Date: 28.03.2023 & 29.03.2023

Department of Civil Engineering along with ASCE student chapter jointly organized ASCE student symposium 2023. KPRIET hosted the symposium through zoom meet with funding of \$700. The competitions such as sustainable solution, innovation contest and paper presentation were held and the participants from various college actively took part into the symposium.

EDCR Preparation work for Tirupur Corporation

Date: 30.03.2023

Preparation of DPR - Detailed Project Report for proposed new Bus stand to be locate at kovilvazhi, Tirupur. This proposed Bus stand is coming under class B and consists of 42 bus bays and multiple facilities with 4 primary blocks which provides revenue to the corporation. The final technical scrutiny on design, Estimates and Bill of Quantities done by DMA (Director of Municipal Administration), Chennai.

Faculty Participation

S.No	Name of the Faculty	Event Name	Date	Organizing Institute
1	Mr. S. Yuvaraj	International Conference on Advanced Materials and Technologies For Industry 4.0	23.03.2023 to 24.03.2023	Bannari Amman Institute of Technology

2	Mrs. B. S. Meenakshi	Workshop on Circular Solutions to Sanitation – making Profits from Toilets	29.03.2023 to 30.03.2023	IIT Madras
3	Mrs. R. Kavitha	International Conference on Civil Engineering Innovative Development In Engineering Advances [Icc Idea - 2023]	09.03.2023 to 11.03.2023	SRM University
4	Dr. S. Kanmani	PALS INNOWAH Competition	24.03.2023 to 25.03.2023	IITM Research Park
5	Mr. S. Logeshwaran	Faculty Development Program on "Future Trends in Transportation and Logistic Industry"	13.03.2023 to 17.03.2023	Bannari Amman Institute of Technology, Sathyamanagalam
6	Mrs. B. S. Meenakshi	Umanage Tech Showcase 23	03.03.2023	Hindustan Institute of technology
7	Mrs. S. Bharani	Internation FDP on Essentials of Research and Publication	13.03.2023 to 17.03.2023	Easwari Engineering College
