

## Details of Funded projects

<b>Academic year (2022-2023)</b>			
<b><u>S.No</u></b>	<b>Seminar Grant Details</b>	<b>Funding agency name</b>	<b>Amount (Rs.)</b>
1	International conference “Technological advancements in materials and manufacturing for industrial environment” (TAMMIE 2023)	SERB	2,10,000
2	IEEE Pre University STEM portal grant	IEEE	1,54,000
<b>Academic year (2021-2022)</b>			
3	Processing and characterization of additive manufactured components for engineering and medical applications	DST-SERB-Seminar grant	70,000
4	One day workshop on Advances in Welding and Wire arc additive manufacturing	Indian Welding Society (IWS)	10,000
<b>Academic year (2020-2021)</b>			
Nil			
<b>Total amount for past 3 years</b>			<b>4,44,800</b>
