Annual Report

Academic Year 2021-2022

VISION

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

MISSION

- To establish and effectively implement a robust quality system
- To pursue global standards of excellence in all our endeavours encompassing teaching, research, consultancy and continuing education
- To remain focused in our core and support functions to hold ourselves accountable to our stakeholders, through embedded processes of self-evaluation and continuous improvement.

Roles and Responsibilities

- ✓ Development and application of quality benchmarks / parameters for the various academic and administrative activities of the institution.
- ✓ Recommendation to the authority about the incentives of faculty members who excel in research activities.
- ✓ Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
- ✓ Organization of workshops, seminars on quality related themes and promotion of quality circles.
- ✓ Optimization and integration of modern methods of teaching, learning and evaluation.
- ✓ Ensuring the adequacy, maintenance and functioning of the support structure and suggestion thereby.
- ✓ To obtain feedback responses from students, parents and other stakeholders on quality-related institutional processes on a regular basis.
