Environmental sustainability and waste recycling policy.

Objective of the policy

- To promote the protection and enhancement of the environment and to educate staff and students on environmental issues
- To contribute, as responsible members of society, to a reduction in waste and carbon usage
- To provide a safe, sustainable and pleasant environment in which to learn and work

Introduction to the policy

ENVIRONMENTAL BEST PRACTICE

We will introduce a waste management system to:

· Segregate different types of waste wherever possible to facilitate the recycling of materials wherever possible and reduce the amount of waste being disposed of in landfill sites

· Meet legislative requirements and ensure that all waste is disposed of legally

· Reduce waste, hazardous substances and harmful emissions

· Actively avoid risk of pollution

We will introduce energy and resource conservation measures to promote:

· A reduction in the amount of energy used

· A healthy and comfortable temperature for all working areas

· A reduction in the amount of water used

· A reduction in the amount of paper and card used

· A reduction in the amount of plastic used and promotion of reuse/recycle initiatives where possible.

We will promote green methods of travel to include:

· Incentives for staff to find alternative methods of travel to work, e.g. cycle to work, bicycle purchase loan scheme

Guidelines from Public Statutory and Non-Statutory Bodies/ Committees.

NEFCO Environmental and Sustainability Guidelines 2017

Importance and Implementation at KPRIET

Achieve these objectives by:

The use of sustainable resources wherever practicable;

· Encouraging the development of links with local and national environmental groups;

· Promoting learning that includes sustainable development and citizenship;

· Endeavouring to embed sustainability into existing curriculum areas and enrichment activities;

· Encouraging the college community to actively participate in environmental projects and initiatives;

· Procuring sustainably sourced goods and materials from suppliers wherever possible.

Responsible Statutory and Non-Statutory Bodies/ Committees at KPRIET

- BWC
- Thulir Club
- Eco Club
- Naanal Club
- NCC
- NSS
