

Food Sourcing Policy		
Objective of the policy		
<p>To ensure ethical sourcing of food through a verification process in terms of standards, safety and quality.</p> <p>To maintain a good supply chain through a conducive atmosphere for storage and distribution.</p>		
Introduction to the policy		
<p>The standard policy for sourcing and supply of food is essential to ensure the complete satisfaction of the stakeholders. The policy is meant to maintain standards through verification of the process related to environment, management and factors related to health, safety and taste.</p>		
Guidelines from Public Statutory and Non-Statutory Bodies/ Committees		
<p>Food Corporation of India (FCI) is a Public Sector Undertaking under the Department of Food & Public Distribution, Ministry of Consumer Affairs, Food and Public Distribution. The prime duty is to undertake the purchase, store, move/transport, distribute and sell food grains and other foodstuffs.</p> <p>FSSAI (Food Safety and Standards Authority of India) sets benchmarked standards of food globally, encourages and ensures food businesses to follow the standards and adopt quality manufacturing and hygiene practices, and finally enables citizens to eat safely and eat right.</p>		
Importance and Implementation at KPRIET		
<p>Developing, implementing, and maintaining policies and procedures applicable to ethical sourcing is important to control or influence the process related to acquisition, storage and supply. Food audits are conducted through the Food Committee for the implementation of the same.</p>
