

Institution's Scholarship Policy		
Objective of the policy		
<ul style="list-style-type: none"> ➤ To support meritorious students in affording engineering education ➤ To enhance their lifestyle via an excellent career in engineering ➤ To serve society by producing quality engineers 		
Introduction to the policy		
KPRIET's merit scholarship provides an opportunity to economically weak meritorious students with the motive of creating equal chances in quality engineering education.		
Guidelines from Public Statutory and Non-Statutory Bodies/ Committees.		
<p>The policy is implemented based on the qualifying examination marks.</p> <p>The scholarship is given for the entire course on the condition that the performance, attendance and discipline are maintained at a high level by the students in each semester. The committee reserves the right to monitor, start and to stop the scholarship based on above said parameters.</p>		
Importance and Implementation at KPRIET		
<p>KPRIET believes in equal opportunity to all students irrespective of their economic status. Complete fees are waived for students having a cut-off above 195, full tuition fee waiver for above 190 and below 195 students. And, for cut-off below 190, tuition fee concession is provided.</p>
